Poem

Albert sleeps in study hall,
We all know that this is true!
Kenny isn't very tall
But he's got eyes of baby blue.

Ralphie is our drummer
With street beat very fine.
Larry is our strummer
Guitar tunes all the time.

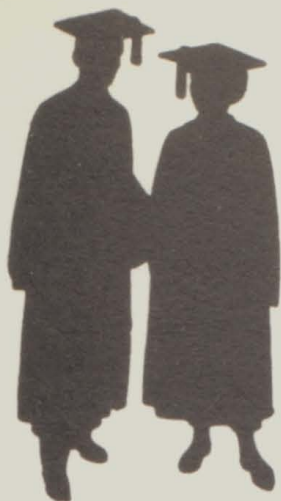

The girls in our class number four;
That's all there is, there ain't no more!
Rachel, Janet, Judi, and Joyce,
Not very many but a mighty fine choice!

A new convert' and a Model A.
Everybody knows they're out to play!
Conrad in the new. Tom in the old.
At horsing around they're mighty bold!

Bob and Steve; no homework done
The frowning teachers do not faze.
Girls and fooling are much more fun
But forty minutes never pays!

Class History

On September 1, twenty-four Freshmen came into the building facing the four years of High School yet to come. They were: Alan Murray, Albert Bolio, Winston Shaw, Cathie Boutelle, Doris Beattie, Ernest Lanpher, Royce McIntyre, Richard Mongeur, JoAnne Brown, Richard Eaton, Mary Twitchell, Monica Pease, Carol Phelps, Helen Stone, Joyce Beattie, Judi Eaton, Rachel Blair, Janet Eells, Steve Kittredge, Ralph White, Conrad Duval, Ken Bowen, Tom Pierce, and Bob Cronan. But before the year was over we lost Monica Pease, Albert Bolio and Alan Murray. We elected the following officers:

President; Judi Eaton
Vice President: Ralph White
Secretary: Carol Phelps
Treasurer: Rachel Blair
Student Council: Janet Eells
Bob Cronan

The Sophomores gave us our Freshman Reception. This is one night we will never forget. We were all dressed different. It was everything to two piece bathing suits to barrels.

The members of the faculty that year were; Mr. Noble, Mrs. Hubbard, Miss Marsh, Mrs. Dutton, and Mr. Lary.

Our Sophomore year we started out with 14 members. We lost Winston Shaw, Cathie Boutelle, Doris Beattie, Royce McIntyre, Richard Mongeur, Helen Stone, Richard Eaton. We elected the following officers:

President: Ralph White
Vice President: Steve Kittredge
Secretary: Janet Eells
Treasurer: Rachel Blair
Student Council: Conrad Duval
Carol Phelps

We sponsored a dance for the Freshmen, but there wasn't any Reception for them.

This was the year we got our class rings and we all felt very important. This year we had one new faculty member, Mr. Leister, our new Principal.

At the beginning of our Junior Year we had 11 members. We lost Joanne Brown, Carol Phelps, Ernest Lanpher and later on in the year Mary Twitchell. We elected the following officers:

Predident: Steve Kittredge
Vice President: Conrad Duval
Secretary: Janet Eells
Treasurer: Judi Eaton
Student Council: Ralph White
Rachel Blair

We put on the Junior Prom in Honor of the Seniors. Douglas Lyon and Joan Larsen were our King and Queen.

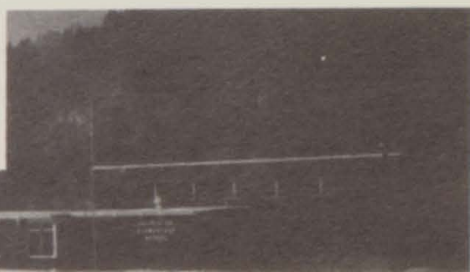

Our last and final year is our Senior Year. We lost no one this year but gained two--Albert Rogers and Larry Smith. That made us 12 Seniors. We elected the following officers:

President: Janet Eells
Vice President: Larry Smith
Secretary: Joyce Beattie
Treasurer: Bob Cronan
Student Council: Rachel Blair
Steve Kittredge

We are now all looking forward to Graduation in June.

Will

Ralph White wills his drum set to Harold Hubbard so the village people can get some sleep.

Bob Cronan wills his ability to make unusual remarks in class and get away with it to Jane Smith, use it wisely Jane for it's a troublesome power.

Judi and Joyce will their "experience" at skipping school to any underclassman who thinks he wants to try it.

Conrad wills his car to anyone who wants to pay for it.

Steve wills his pickup to Earle Mills so he can carry all his girl friends in the back.

Albert wills his ability to get cars that don't run to David O'Niel so he won't be able to horse around so much.

Tom Pierce wills his car to a museum so we can get rid of at least one menace to the highway.

Rachel Blair wills her car to Sandy Smith so she won't have to walk home after ninth period.

Ken Bowen wills his pickup to Mr. McAllister so it won't be so expensive to repair. Watch out for those STOP signs Mac.

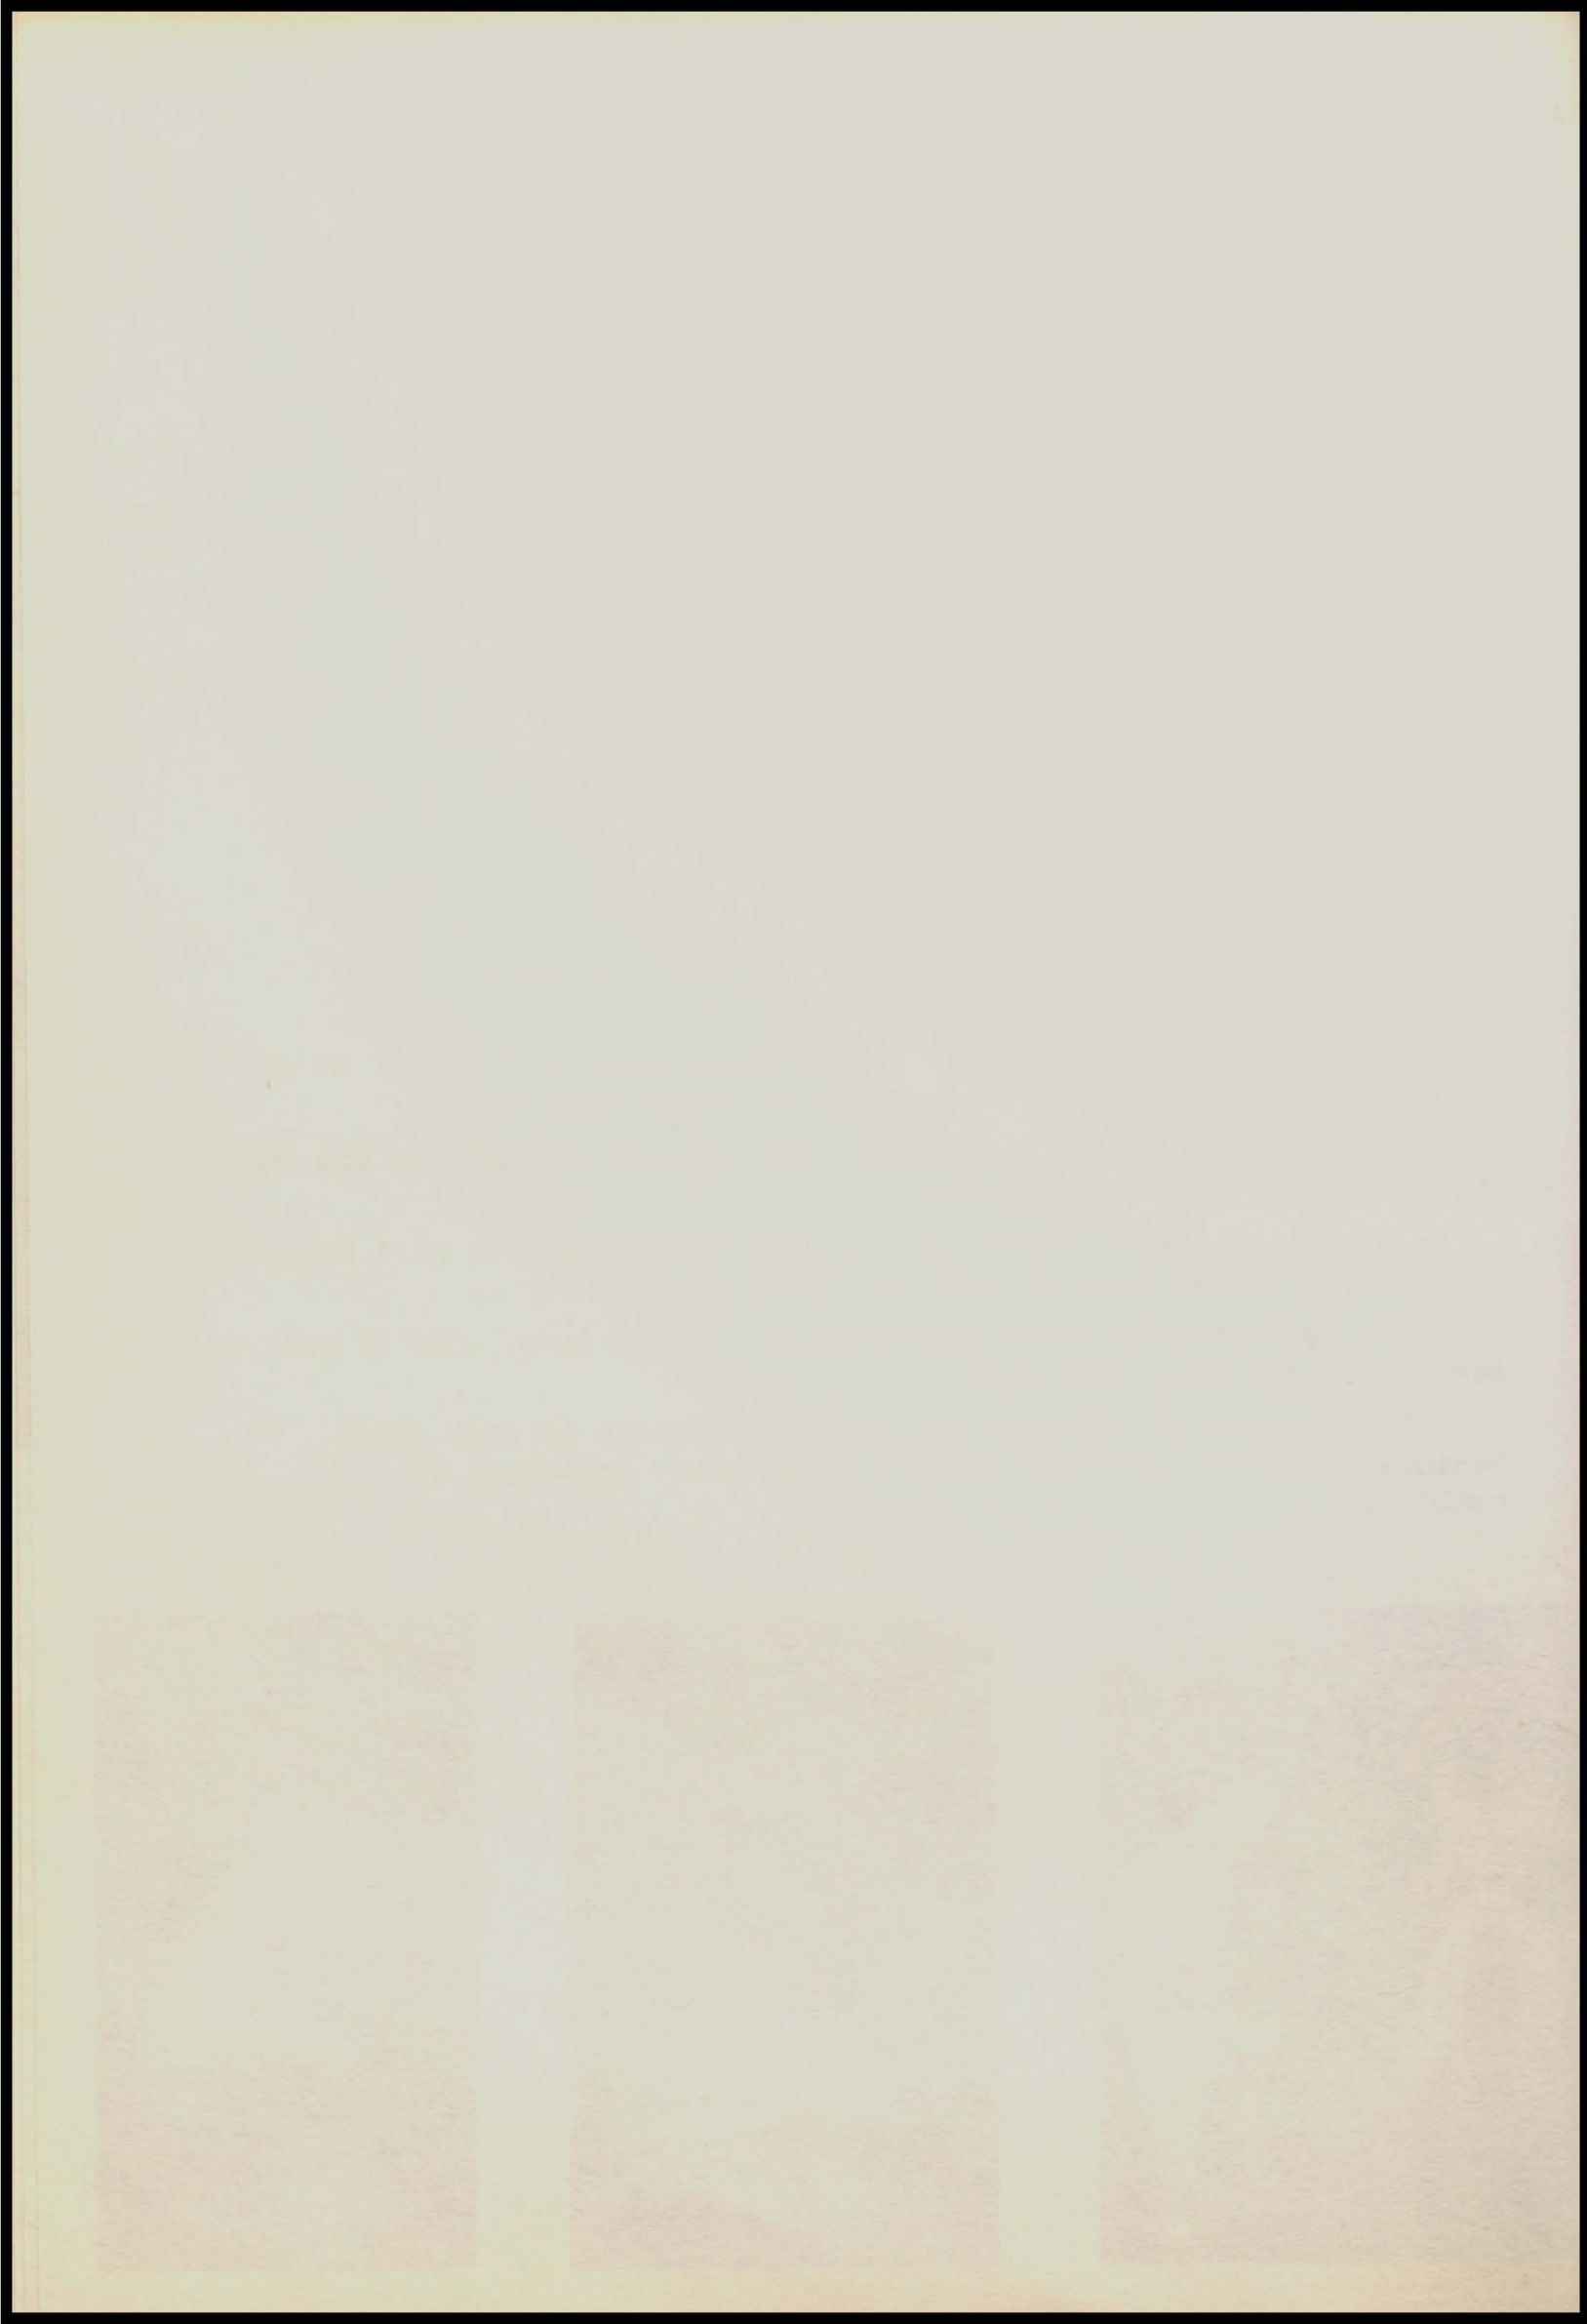

Larry Smith wills his guitar to Gim Kinsley so that Gim can woo the fair young maidens of R.H.S.

Janet Eells wills her nickname, Will Chamberlain to Miki Buss. It fits you better than it does me, Miki.

The Seniors will their privileges to the Juniors. See if you can figure out what they are!

The Seniors of '63 will the new coat hangers to next years Seniors. Try and make the Juniors keep theirs upstairs; we couldn't.

A Word from the Seniors

- Thomas Pierce: Have fun but keep those marks up.
- Rachel Blair: You only get out of High School what you put into it.
- Janet Eells: Study and work towards your goal from the start, don't wait until your last year.
- Joyce Beattie: School is such a short part of your life and is so important, study hard and get the most out of it. It'll help a lot in the future and you'll never regret it.
- Larry Smith: Make the best use of your school time because today an education is a passport to success.
- Albert Rogers: Don't be absent, it doesn't pay, too much.
- Conrad Duval: Be good and you'll be happy.
- Ralph White: Work hard, take all the activities you can and still keep up your studies. You will turn out a better student than the ones who didn't, even though they don't have much to do.
- Stephen Kittredge: Study hard and get the most out of High School you possibly can. Someday you will be grateful for the effort you have put into it. Nothing is better than a good education.
- Robert Cronin: Shoot for the highest point you can possibly reach and strive to get and keep yourself there.
- Judith Eaton: Have fun in High School because they are the best years of your life but don't forget to study too, because your education is just as important.
- Kenneth Bowen: Do not wait till your last years to do the best you can, do the best you can from the first.
