The class of '72 would like to give the best of "US" to Nancy. From aspirin to advice, she has lessened the confusions involved in being a part of a unique school. Her natural, easy manner has made her indispensable - not only as "the office", but as a friend as well.

IN APPRECIATION

We would like to express our gratitude to Mrs. Hubbard for her guidance and concern in the making of "Us". Without her supervision, the production of this yearbook would have been a much harder task to accomplish.

Fall Phys Ed

This year's fall phys. ed. was notable for the fine weather which gave us extra Wednesday afternoons outdoors. Whether sailing or biking, the community and faculty again offered their help in making the program a success.

Winter Phys Ed

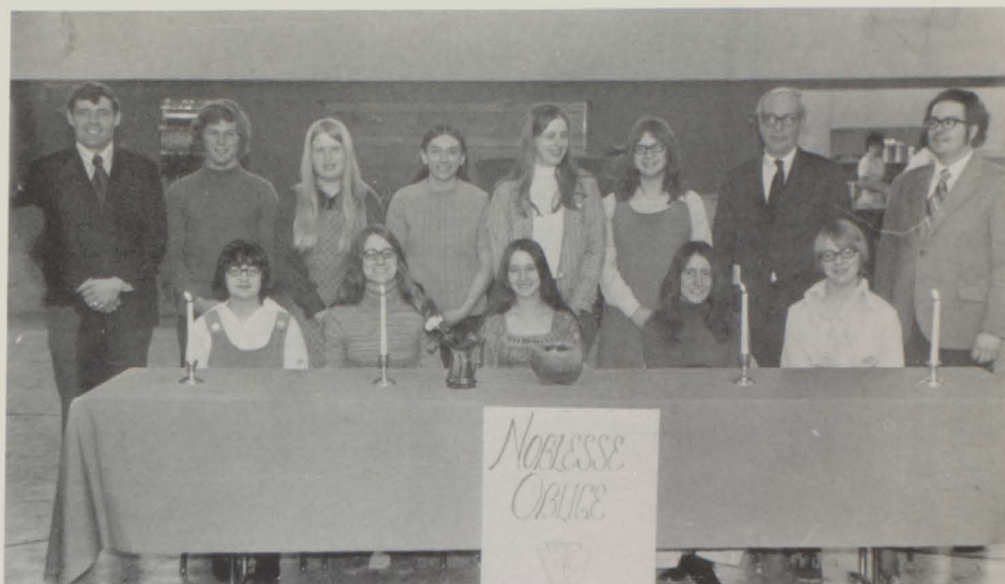

The unpredictability of Vermont winters has proven again the versatility of RHS's Phys. Ed. program. By putting skiers into square dancing, using hockey sticks in roller skating, and utilizing the GAR as a dance hall, we once again made winter in school more enjoyable.

Special Events

We have participated in many excursions this year. Among the "firsts" was the arrival of a student from Australia. Trips to Brandon Training School, Waterbury State Mental Hospital, and Data Processing Centers broadened our classroom experience. Other programs which are becoming annual events were Computer Programming and our Special Week which, last year, included Washington D.C., Cape Cod, and Maine Wilderness trips, besides numerous local programs.

Acknowledgements

It takes many people to keep a high school running, even a small one of only 180 students. Each year the number of townspeople who help the school in one way or another grows. So does our thanks and gratitude. We would like to acknowledge the fine efforts of the following people:

Mr. Wallace Martin and the School Board for their support of the school and its many activities.

Miss Lloyd for coordinating our art program, and the volunteers who have given much of their time and effort in this program - Stanley Stahl, Kathy Marmor, Dave Marmor, Lois Bond, Lois Mills, Dorothy Rushton, Carolyn Donnet, Alita Manchester, and Lee Huntington.

Mrs. Manning for her help and running of the library. Mr. Bowles for Driver Education. Mr. Wilder for his coordination of individual special projects and studies.

Our bus drivers, Mr. Davis, Mr. Curtis, Mrs. Downs, Mrs. Harvey, and Mr. Raymond. The "Hot Lunch Ladies", Mrs. Champion, Mrs. Smead, Miss Marsh, Mrs. Darrah, and Mrs. Hill.

Mrs. Hodgkins for her fantastic cleaning job, and Mr. Frost for care of our fragile and temperamental heating system.

Mr. Arseneault and the Forest Service for their counseling and involvement in the school.

Killington Ski Area and the instructors there for another season of skiing privileges at the mountain. The drivers to Killington, Mr. Bond, Mrs. Martin, Mrs. Rice, Mrs. Merkle, Mrs. Harvey, Ginny Schaefer, Dave Marmor, Ted Lefkowitz, Kate Farley, Steve Boutwell, and Jackie Simpson.

The Junior High Basketball coach Ray Gendron, Girls' Basketball coach Sandy West, High School Cheerleading coach Kathy Csizmesia, and Junior High Cheerleading coach Sue Fluelling.

Mr. and Mrs. Richard Hubbard, Mr. and Mrs. Gerald Rice, Mr. and Mrs. Stanley Parrish, and many others for the use of their vehicles for school trips, sports, and activities.

Mr. Leister and Mrs. Kirkpatrick for their interest, support, and involvement in RHS. Mr. and Mrs. Clifford Patch for excellent service given to the seniors and school concerning pictures.

These are just a few of the many indispensable people in and around the communities who have generously offered their services. The student body would like to take this opportunity to thank everyone for their efforts and support.
