We, the class of 1976, dedicate this yearbook to our parents. They are special people, giving us the encouragement and support which is so necessary throughout our high school years. We want to say a big "Thank You" to each one.

Acknowledgements

The Class of 1976 would like to express appreciation to the many people who have helped us in these past years. We want them to know that we are thankful for the help they have given us. We would like to acknowledge the efforts of the following people;

Mr. Leister and the School Board for their support of the school and its activities.

Mrs. Kirkpatrick for her generous contributions.

Mrs. Howlett and Mrs. Odiorne for their help in the use of the Resource Center.

The Patches and Earl Davis for their excellent photography service.

The Hot Lunch Ladies: Mrs. Hill, Mrs. Tarvit, Mrs. Darrah, and Mrs. Kinsley.

Mrs. Hodgkins and Mr. Hubbard for keeping all the buildings clean and under control.

Our bus drivers: Mr. Tarvit, Mr. Hubbard, Mrs. Harvey and Mr. Newton.

To our special instructors; regular and volunteers: Mr. Smith, all the art volunteers, and music instructors.

Mrs. Dorothy Osborne, Robyn Wright, and Bill Feinberg for their encouragement and excellent directing of the musical productions "Pinocchio" and "Peter Pan".

These, of course, aren't all the ones who help make our school run. To those we did not specially name, a big "Thanks" also.

We remember gratefully Peggy King through whose generosity we, and many others, have enjoyed canoeing on Joe's Pond.

Peter Duretto is a part of the memories of many of us. We remember with gratitude his good cheer and friendliness.

ACTIVITIES

Phys. Ed.

This year we saw a change in our Physical Education activities. Mr. Mike Gallagher, a former Olympic cross country skier, (who competed in 1964-68-72), is now in charge of the program. Mr. Gallagher, who was the top American skier, placed 19th in the fifty-kilometer race and came in sixth in the relay race. In addition, he won 17 cross country skiing titles and one bicycle title in National competition.

Mr. Gallagher conducts gym classes for grades K-10 and on many fine fall days, one can see these classes participating in outside activities. Juniors and Seniors continue the usual Wednesday afternoon programs that include archery, golfing, tennis, hiking, canoeing, rock climbing, weight lifting in the fall, and bowling, skiing at Middlebury, gym sports and wrestling in the winter.

Special Week

Old School

Pictured here are the buildings in which we began our high school years. These buildings are now being used for many different things. The Main building and the G.A.R. Hall have been taken down. The Little building is being used by the Boy Scouts, Webelos, and the American Legion. The Eastern Star and the Masons are holding their meetings in the Pierce Hall where the shop room was. The Home Ec building is now occupied by the Dandelion Day Care Center with many families benefiting from it.

GODSPELL

The Peacham Drama Workshop put on a marvelous production of "Godspell" in our own gym. The auditorium was not quite ready which was disappointing, but they brought their own stage and lighting. The Peacham School had always dreamed of organizing a drama road company and they reached their goal. They toured the state with "Godspell" going to St. Johnsbury, Woodstock, South Royalton, North Stratford, N.H., and here. We thank them for the inspiration they gave us.

Cheerleaders

We, the Varsity cheerleaders, will always remember the ride to Newport on January 3, in stormy weather. As we were late for the game, we changed our clothes in the back of Mr. Hunt's station wagon, on the way, so we would be ready to cheer upon arrival.
