DEDICATION

We, the Class of 1977, dedicate our yearbook, "Photographs and Memories" to our class advisor, homeroom teacher for two years, an avid metric enthusiast, and dedicated Math teacher.

Mrs. Martin makes learning enjoyable and fun to do, and anyone who has seen her brightly decorated room will testify to this. If it wasn't for Mrs. Martin, who would have known what an overhead was?

Mrs. Martin organized the skiing program at Killington, with the help of Ferdinand, who also helps lead hikes, biking trips, and Special Week programs.

We thank her for advising us as a class and as individuals, and hope that her memories of us will be as nice as ours are of her.

MEMORIAM

MRS. REGIS BARBER

When I have to leave thee
 please do not grieve
 or shed wild tears
Or carry sorrow with you
 throughout your years

Because I am happy, in my new home
 and will never be left alone
For I am still with you
 in spirit and love
And always think of me as living-
 up above.

--Chris Kaiser

HISTORY

In seventh grade we were **the Rugrats**. Ace Foley started his brilliant career in cross country. We also were the shortest seventh grade on record. This was also the year that we got to go to our first high school dance. To retaliate against the upperclassmen, our class and the eighth grade declared a war using water pistols as our weapons - which were quickly confiscated and put in a box.

In eighth grade we learned about sex during Special Week in the new Jr. High program. We also went to the Granby Zoo, and we had an obstacle course in the school yard. This was also the year that Wally Englehardt upset the fire extinguisher in Mr. Davis's room.

Our first year in high school started off well with Freshman Day. Everyone had stacks of books to carry to the upperclassmen's classes. The sophomores put on a dance for us, and this was the first year there were not initiations. We went canoeing on King's Pond for our Fall phys. ed., during which Patty, Ellen and Melissa sank a canoe. For Special Week that year, the majority of the freshmen canoed down the White River with Mr. Pollock or started to build a log cabin in the school forest, with Mr. Tinker.

In our sophomore year we moved to the new high school and Mr. Hunt replaced Mr. Pollock as principal. We put on a dance for the incoming freshmen in September. Mark Sleath ate one of Mr. Miner's goldfish for \$5.00, but he had to pay a dollar for the fish, so he really made only \$4.00. Part of the student body refused to go to classes one Wednesday because phys. ed. was cancelled, we had a sit-in which was a great failure.

In our junior year our school life was rather uneventful. Our social life was another story. We put on the prom with the theme "South Seas" which was different and much more difficult to put on than many previous ones. On graduation night we put on a "Beginning of the End" party for the "seniors" and the "graduates" which was a genuine success.

Our last year in high school was hectic from the beginning. We had to make plans for graduation and our futures, as well as put together the yearbook. Our class was highest selling in the Magazine Drive, and we enjoyed an ice cream party and \$50.00 as our prize. This was the second year in a row we were the high salesmen.

High School was certainly an experience, and one that can never be repeated. We've had fun, shed tears, protested, learned a few things, and are happy to be moving on. We feel tremendous sorrow in leaving our friends, classmates and teachers. We will never forget R.H.S.

CANDIDS

The decor for last year's prom was the Romantic image of the South Seas. The Keynotes added to the tropical mood. Toni Billings and Tom Harvey were last year's reigning couple.

ATHLETICS

SOFTBALL

First Row: Johanna Needham, Faye Raymond, Jackie Harvey, Capt. Diane Wood, Karen Lubold. Second Row: Barb McIntyre, Paula Hill, Tami Harvey, Molly Sargeant, Milly Lary, Annie Mishkit, Coach Schulze.

The softball team ended with a season record of 6 wins, 4 losses. They lost to West Rutland in the playoffs. The girls were under the coaching of Mr. Schulze.

BASEBALL

First Row: Brian Sherman, Jeff Lanpher, Tim Billings, Kyle Lizotte, Otho Needham.
Second Row: Coach John Clark, Jim Simpson, Kevin Ainsworth, Randy Lanpher, Charles Schattenkerk, Greg Bean, Peter Parrish.

The baseball team, with the coaching of Mr. Clark, did not have a terrific season. Team captain, Brian Sherman commented that although the team didn't do well last year, they could go all the way this year.

FIELD HOCKEY

First Row: Captains Milly Lary, Dianne Harvey. Second Row: Robin Twitchell, Lorraine Wood, Joanne Goding, Tina Lanpher, Manager. Third Row: Darla Lanpher, Jennifer Smith, Annie Mishkit, Martha Harvey, Tami Harvey, Shelly Simpson. Fourth Row: Coach Schulze.

The Field Hockey team ended the year with a 4-8 record. Two eighth graders had to play because of lack of high school players. The most exciting game for the girls was home against Bethel that went into overtime.

SOCCER

First Row: Bryan Stone, Chris Murray, Carl Sleath, Leslie Rhoades, Mark Smith, Teno West, Earl Kingsbury, Carl Holmquist, Jim Harvey, Ricky Lanpher, Tim Smith, Mark Lizotte. Second Row: Crosby Sargeant, Brian Sargeant, Randy Lanpher, Greg Smith, Tim Davis, Jim Simpson, Lance Moulton, Billy Martin, Kyle Lizotte, Brian Sherman, Coach Lary.

The Soccer team ended the year with a 4-6 record. Next year looks very promising with several Sophomores and Juniors returning. The captains were all the Seniors and the coach was Mr. Lary.

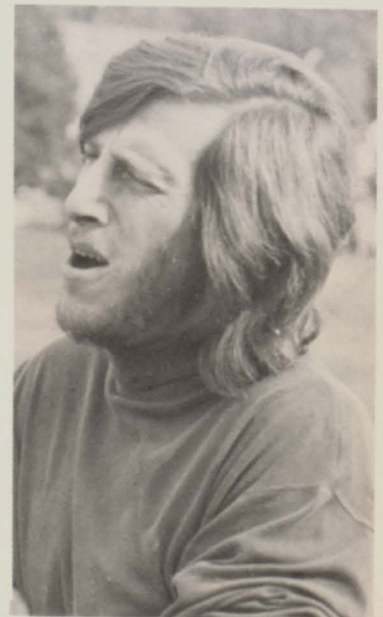

CROSS COUNTRY

First Row: Peter Parrish, Steve Twitchell, Mark Sleath, Ace Foley, Tim Billings. Greg Bean, Eric Holmquist, Jeff Lanpher. Second Row: Kevin Ainsworth, Gordon Burch, Paul Hunt, Garth Lizotte. Third Row: Matt Morse, Donald Crickard, Glenna Kennedy, Rhonda Lanpher, Carol Shirlock, Becky Goding, Bill Bonn, Russell Bean, Jay Frogness, Ken Bonn.

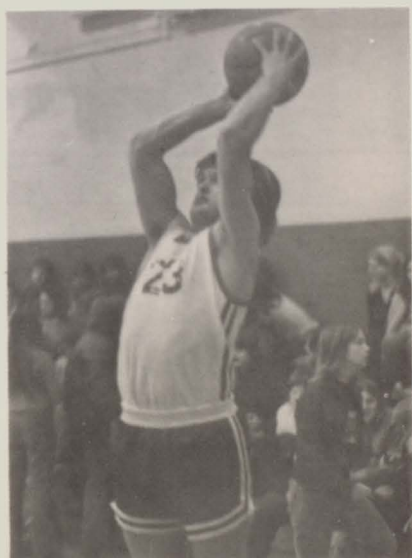

The Cross Country record was 12-13. It was not a real good year for the Rockets, but with a 2nd place finish in CVL and a very impressive 3rd place in the state meet. Rockets 1st place finisher was Greg Bean: 20th place. Coach Youngman thinks that next year will be real good if he can fill the shoes of Gordy Burch and Ace Foley.

SPECIAL WEEK

In May of 1976, Special Week took place, with groups going to New York City, sailing on the Atlantic Ocean, canoeing in the Maine wilderness, a Vermont sightseeing trip and many other interesting treks. Special Week is an important part of R.H.S. and gives students a chance to learn and grow outside of their normal environment.

PHYS ED

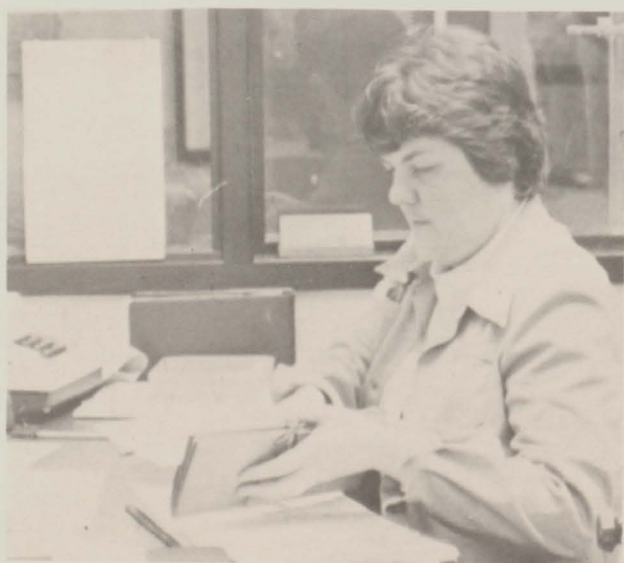

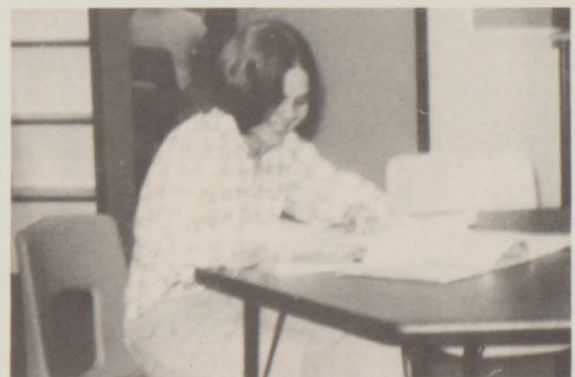

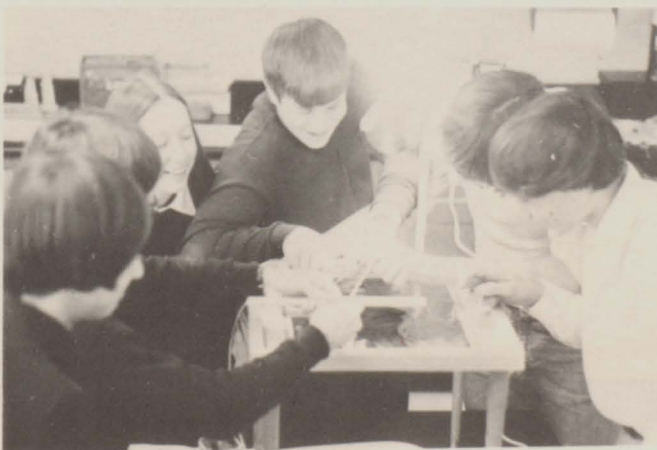

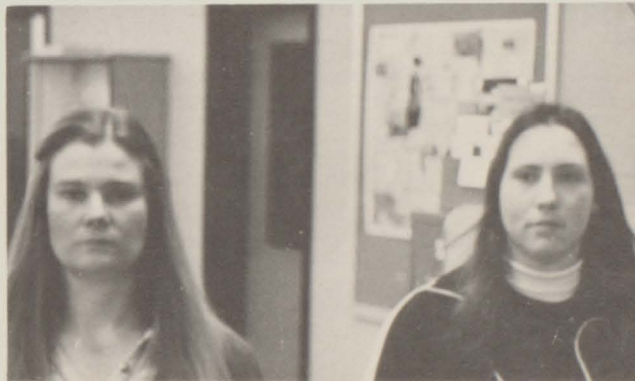

The Autumn Phys. Ed. program included tennis, hiking, sailing, archery, and various other exciting sports. Bowling, skiing, snowshoeing, gym sports, and cross-country skiing made up the Winter Phys. Ed. program for Juniors and Seniors.

Smorgasbord from the forest.

This year every man, woman, and child will use the equivalent of a 100-foot tree. And the products are a wide variety: building materials, paper, packaging, film, fabrics, fuel, and plastics.

Besides that, the forest provides recreational opportunity, serves as wildlife habitat, protects watersheds and returns oxygen to the atmosphere.
