Anthony "Amp" Andrews

Full Name : Anthony Loren Andrews

Birthplace & Date : Randolph, Vermont- 11/13/1992

Nicknames: Amp, Ampy, Ampster, DJ Ampy Amp, and Brown Bear.

Activities / Sports: Baseball Kindergarten - 6th grade at Rochester School.

Football 8th + 10th grade at TCMS and TCCHS in Elkton, Kentucky.

Favorite Memories: Living in Vermont for the first 12 years of my life. Every girl who broke my heart and caused me to start writing music and playing guitar. Moving to Kentucky and meeting all my friends including my best friend, my brother, and lead guitarist, Aron Blake. Aron and I caused a lot of mischief in the four years of my Kentucky life. Moving back to Vermont and meeting the girl of my dreams on 10/17/2009, Lauren Rose Pratt. She has helped me through the good times and the bad times of my junior and senior years. Spending a week in LA and Hollywood with the two closest people to me- Lauren and Aron. Performing a concert in the lunchroom at Rochester School, it was a blast! And right after the mini concert, I got to see "All That Remains" Live!!!! My part-time job at Eaton's Sugarhouse with my boys, Mike Smith, Matty DeCoff, and Brent Smith! I've got so many more memories, but I can't talk about them all day long like I wish I could.

Favorite Music: I listen to all music depending on the mood I'm in. Most of the time though it's METALLICA!

Favorite Quotes: Rock & Roll is feeling, and after you know most of the basics ... chords, rhythm, scales and bends ... getting that feeling is just about the most important aspect of playing guitar.

- Eddie Van Halen

Future Plans: Graduate high school; go to a music college for a few years, start a band and record original music; start a family; and become a ROCKSTAR!!!!

Advice to Underclassmen: Take advantage of "NO SHAVE NOVEMBER!"

Will: To my sister, Shelby Andrews, I will my ability to keep my chin up and and be optimistic through the rough times. Next, I will my love of Arnold Palmers, and dealing them at school during lunch to my younger brother, Nathan Andrews. Also, I will the ability to grow facial hair at such a young age to my other younger brother, Jacob Andrews.....You'll need it!

Special Thanks: To my grandparents for taking my family in when we moved back to Vermont. Thanks to my father, Reggie Andrews and aunt, Denise Hayes, for helping me and my family through the rough times of my senior year. To Tim and Wendy Pratt for letting me stay with their family when my family was struggling. Finally, to my closer buddies at school, I love you all. Thank you!

BORN:

SPECIAL THANKS to my parents who helped me become the person I am today, encouraged me through tough times, and were always supportive of my dreams. To my grandmother, **Mimi** who reconnected me with faith and taught me how to love. To **Sarah Silbert** who helped me through VAST and kept me sane my senior year. To **Amp** for being there when I needed him the most and always making me laugh.

When the dog bites, when the bee stings, when I'm feeling sad...

FUTURE PLANS: Go to college, and then to med school - basically stay in school forever. Settle down somewhere along the way and watch my children start everything all over again. I want to try the city, but want my children to be raised in a place as beautiful as Rochester.

WILL: I will my brother the ability to drive safe, even with AIS 5 min late.

ADVICE: Appreciate what you have and where you are. As Sara Bareilles says, "Compare where you are to where you want to be and you'll get nowhere."

I simply remember my favorite things...

Growing up & going to school with the best classmates. All the unforgettable times with Amp. VAST with BM, KC, AW. Working at Easy with EW, RB, Megan, Luke, SD. Dinners with SD, Luke, Megan. American Idol parties with DC, AW. MP. Italy with Mrs. Hughes, Chuck, & the crew. HR saving me from 2 creepy men in Italy. Making it to the softball championships twice. All the ironic times with Lonestar Parabola. Montreal with the school, Mme Orliac, & Mom. Calculus with AW, RB, (AA, MB). Spending time in Mrs. Hughes' office. Of course, bus rides. All the times when TD lived next to me. Guitar Hero & snowmobiling with TM. Many, many shopping trips with AA. My first "real indoor rock concert" with AA, HH, JC. Going to California for MMLA & staying there with AA and Aron. Meeting many new friends there. HOBY with HMW. Spending the night with AB many times. Wrapping Shelby's "fur-real" pet with AA. Tunbridge Fair for way too many years. Wing nights, cramming 7 people into vehicles. Roadside picnics with AA. Holyoke, Mass with DM, HMW. AB. Surprise shopping trips with DN. Watching late-night TV with RR. Camping and "beer-drinking games" with Novotny's. Fishing with CBr. After-school/Before softball hangouts with BM. Cross Country road trips with the team and Molt family. There really are too many great times to name here, and only more to come.

And then I don't feel so bad.

Memories:

Being the party kids with Montana, entire summers of couch surfing, swimming every day from April 1st to late September, Suit Week, growing a reeeeaallly sketchy beard in "No-Shave" November, trick or treating despite age barriers, Scapula punches, Ski-biking with Graham, heated outdoor pool in -10 degrees, bitchin' Tuxedos at semi-formal dances, goofing off constantly, being the bane of teachers and serious students, hanging out with Jackie more than my actual family, gambling in Math class, all the one acts and plays with Doug, David, Zooms, Grammy, Tanner, and everyone, being the weird kid in 8th grade, flirting way too much for my own good, pulling pranks constantly, draining Amp's Arnold Palmer from the bottom, having majestically long hair, Ringo's Birthday and the Jersey Shore with Montana, Shooting cannons in peaceful suburbia with Montana, so many more things that I can't remember, because I'm doing this on the day that it's due. Oh! My unbelievable procrastination skills.

Will:

I will my procrastination abilities to Gavin Curtis, because he's the only one who could do it the way I did.

I will my magic tricks to Wilder Perera, because he's the only one who stumped me.

I will my pranking abilities to Alex Wardwell, because he will use it well.

I will my flirtatious nature to Keenan Thompson, may he use it wisely.
