

*The Senior Class
would like to dedicate the
2015 Yearbook to:*

Jeff Mills

&

Joyce Hunt

Although neither Mr. Mills nor Ms. Hunt are from Rochester, they have become perhaps the Rockets' two biggest sports fans.

As Athletic Director, Mr. Mills is super organized and enthusiastic without letting his terrific support for our teams interfere with his professional demeanor. He is able to put the student-athletes first while keeping the overall mission of the school in perspective. We are so lucky to have such a dedicated, positive Athletic Director.

Joyce Hunt has taken thousands of photos of Rochester athletes over the years while quietly supporting the individuals and their families. She reflects her love for the students by putting in immeasurable hours. Not only does Joyce come to most home games, but she is known for riding the buses with us to even the most distant away games. Her enthusiasm was in full display at the Senior-Staff basketball game this March, after which she provided each participant with a photo and took the time to hand-write the score on the back!

These two individuals deserve recognition for their amazing dedication and positive spirit.
